ACI Foods Limited is a subsidiary company of Advanced Chemical Industries (ACI) Limited which is one of the leading conglomerates in Bangladesh. We follow International Standards on Quality Management System to ensure consistent quality of products and services to achieve customer satisfaction.

The necessity of pure food in consumers' mind especially in the commodity food business has pushed ACI to fill up the market demand by producing food products. **ACI Foods limited** is engaged in manufacturing, marketing, and distribution of food products and condiment under the brand names of **PURE** and **FUN**.

ACI Foods Limited started exporting its products right from its inception in the designated markets of Kuwait and KSA with a very small base in the year 2008. Over the years the Export Business has been increasing rapidly and continuously searching for opportunities to discover the potential markets which demands for high quality food products from Bangladesh.

Currently **ACI Foods Limited** is exporting its products to Middle East, North America (USA, Canada), Europe (UK, Italy, Greece and Cyprus), Oceania (Australia), Asia Pacific (Malaysia, Singapore), SAARC (Nepal, Bhutan, India, Maldives) and some of the African countries.

There is an increased effort by the company to accelerate the growth momentum in export markets thereby becoming a prominent consumer goods exporter of Bangladesh.
